(2) Obligation of the Issuer for admission to trading on a regulated market of the bonds of this issue

By Decision No. 595-E of June 1, 2023, the Financial Supervision Commission (FSC) approved the Prospectus dated May 16, 2023, for admission to trading on a regulated market of the unsecured bonds, ISIN BG2100022222.

At a meeting held on 08.06.2023, the Board of Directors of Bulgarian Stock Exchange AD (BFSE) adopted a decision to admit to trading on *the Bond Segment* of the Main Market of Bulgarian Stock Exchange AD an issue of unsecured bonds, ISIN BG2100022222. The issue has been assigned the stock exchange code BAMV, and the initial date of admission to trading is June 19, 2023.

The Issuer has fulfilled its obligation to register the Issue for trading on a regulated market – Bulgarian Stock Exchange AD.

(3) Obligation of the Issuer to comply with certain financial indicators

Under the terms of the Issue, the Issuer has not undertaken any obligations to comply with certain financial indicators.

III. Use of proceeds from the bond loan

Under the terms of the issue, the net proceeds will be used by the Issuer in its lending activities to ensure credit growth, including, without limitation, to finance green projects, green industries and technologies (without specifying specific target levels or volumes of such financing), for investments in government securities issued by Bulgaria and other Member States of the European Union with an investment rating, as well as to meet general liquidity needs and to ensure the Issuer's compliance with regulatory requirements for achieving and maintaining the applicable requirements for eligible liabilities in relation to the CRR, as determined for the Issuer as a credit institution.

As of 31 March 2026 the funds raised from the Issue are included in the Issuer's liquid assets, which are used to finance the above-mentioned activities and are invested in government securities issued by Bulgaria and other European Union member states with an investment rating.
