## Services and definitions

			<b>National list of the most representative payment account-related services (under Article 38 (1) of BNB Ordinance No. 3)</b>	
			<b>Service</b>	<b>Definition</b>
1	General account-related services	1	<b>Opening of a current account</b>	The Bank opens a payment account of a customer for the execution of payment transactions without any period of notice to be sent by the account holder for using the funds.
		2	<b>Maintaining a current account</b>	The Bank services a payment account which is used by the customer for the execution of payment transactions without any period of notice to be sent by the account holder for using the funds.
		3	<b>Closing of a current account</b>	Closing of a payment account which is used by the customer for the execution of payment transactions without any period of notice to be sent by the account holder for using the funds.
2	Cards and cash funds	4	<b>Debit card servicing in national currency</b>	The Bank services a debit card linked to the customer's account in national currency. The amount of each transaction made using the card is debited directly and in full from the customer's account.
		5	<b>Credit card servicing in national currency</b>	The Bank services a credit card linked to the customer's account in national currency. The total amount of the transactions made using the card during an agreed period is debited either in full or in part from the customer's payment account on an agreed date. A credit agreement between the provider and the customer determines whether interests will be charged to the customer for the borrowing.

		6	<b>Cash withdrawal on the territory of Bulgaria</b>	The customer withdraws cash from the customer's account on the territory of Bulgaria either at a teller desk, or via POS or ATM terminals.
		7	<b>Cash withdrawal with a debit card at an ATM terminal abroad</b>	The customer withdraws cash from the customer's account using his/her debit card at an ATM terminal abroad.
		8	<b>Payment with a debit card</b>	The customer pays for the purchase of goods and services at the point of sale or via Internet with a debit card.
		9	<b>Payment with a credit card</b>	The customer pays for the purchase of goods and services at the point of sale or via Internet with a credit card.
		10	<b>Statement of a payment account balance via an ATM terminal</b>	The customer receives a statement from an ATM terminal in Bulgaria on the balance of the payment account to which his/her debit card is linked.
3	Payments (other than by bank cards)	11	<b>Credit transfer in national currency to a payment account with another payment service provider (PSP)</b>	The Bank transfers money, on the instruction of the customer, from the customer's account to another account with another payment service provider in national currency.
		12	<b>Credit transfer in national currency to a payment account with the same PSP</b>	The Bank transfers money, on the instruction of the customer, from the customer's account to another account with the same payment service provider in national currency.
		13	<b>Credit transfer in national currency to a payment account of the state budget with another PSP</b>	The Bank transfers money, on the instruction of the customer, from the customer's account to a payment account of the state budget with another payment service provider, initiated by a payment order to the budget in national currency.
		14	<b>Utilities payment</b>	The Bank transfers money, on the instruction of the customer, from the customer's account to a payment account with the same or another payment service provider, allowing payment of utility bills (electricity, water, gas, telephone, etc.).
		15	<b>Credit transfer in foreign currency to a payment account with another PSP</b>	The Bank transfers money, on the instruction of the customer, from the customer's account to another account with another payment service provider in foreign currency.
		16	<b>Credit transfer in foreign currency to a payment account with the same PSP</b>	The Bank transfers money, on the instruction of the customer, from the customer's account to another account with the same payment service provider in foreign currency.
		17	<b>Incoming credit transfer in foreign currency</b>	The customer's account with a payment service provider is credited with amounts from money transfers in foreign currency.
