

I. Types of accounts

A. Time deposits for individuals

1. Online deposit

The Online deposit could be opened in BGN/EUR/USD for 3, 6 or 12 months and the Bank applies 0.20% over the interest rate for Standard deposits for the respective term and currency. The Bank provides Online deposit only via the Bank's website www.bacbplus.bg/deposit for new customers, who have no active current, deposit or other account with the Bank at the time of registration. The Depositor should replenish the deposit account by ordering a transfer from his own account with another bank in Bulgaria. At maturity the Online deposit is automatically rolled over as a Standard one with the same term at interest rate valid for the Standard deposits in the respective term and currency at the date of the renewal. In case the deposit is terminated prior to its maturity the Bank applies the interest rate for current accounts. Minimum required balances 1,000 BGN/EUR/USD, maximum balance 500,000 BGN/EUR/USD.

2. Flexible deposit

The following annual interest rates apply:

Term of deposit	BGN	EUR	USD
• 6 months	0.70%	0.55%	0.45%
• 12 months	1.00%	0.90%	0.65%

During the whole term, the Depositor may deposit any amount over the principal and may withdraw amounts for the total amount of 30% from the initially deposited principal, without breaking the deposit terms and without falling under the minimal requested deposit's balance. Any other transactions are considered as a termination of the deposit contract and the Bank applies the interest rate for current accounts. The interest is paid on maturity. At maturity the deposit is automatically rolled over as a Standard deposit for the same term at the interest rate valid for the Standard deposit in the respective term and currency at the date of the renewal.

3. 6-month deposit with increasing interest

The following annual interest rates apply:

Periods of deposit	BGN	EUR	USD
• First two-month period	0.40%	0.20%	0.20%
• Second two-month period	0.60%	0.45%	0.35%
• Third two-month period	1.10%	1.00%	0.80%
<i>Annual interest rate for the whole term</i>	0.70%	0.55%	0.45%

At the end of each two-month period the deposit can be decreased without breaking of the deposit terms. Any other decrease before maturity on date different than the end of each two-month period is considered as a termination of the deposit contract. At the end of each two-month period the whole deposit can be terminated and the Depositor receives the whole amount of the interest accrued for the respective past periods. In case of termination of the deposit under conditions different than those set forth in the previous paragraph, the Depositor receives the whole amount of the interest accrued for the past periods as well as the interest for the current period calculated at the interest rate applicable for the past preceding period. In case the deposit is terminated during the first two-month period of the deposit (i.e. before the end of the second month since the opening of the deposit) the Bank applies the interest rate for current accounts.

4. Standard deposit

The following annual interest rates apply:

Term of deposit	BGN	EUR	USD	GBP
• 1 month	0.25%	0.25%	0.20%	
• 3 months	0.45%	0.35%	0.35%	0.30%
