Note for p.6: 1/ Limits are not applicable for Internet banking system users. 2/ Limits are in BGN-equivalent regardless the currency of the customer's account. 3/ Upon depositing of a Declaration by a customer at Bank's counters for setting up higher limits for a customer, users or accounts, the Bank sets up the new limits up to three working days.

Notes for part III: 1/ Outgoing foreign currency transfers with value date next/same day shall be executed only with bank's consent (not applied for payments in euro towards banks within EEA with value date 1 working day). 2/ Upon use of multiple budget transfer, payment of each obligation will be considered and charged as a separate outgoing payment. 3/ Utility payment fee is due for the first five utility payments within a calendar month, and each subsequent utility payment after the fifth one within the same month is free of charge. 4/ Upon receipt of an incoming currency transfer with option "OUR" and in case the Bank is unable to collect its fees from the ordering bank within 2 months, the Bank shall collect its fees for the incoming currency transfer from the Beneficiary. 5/ In addition to the commissions stated in p. 2 from the present section, when executing outgoing payments in foreign currency through a bank-correspondent with details of charges - option "OUR", additional charges of the banks correspondents are collected as follows: **A. Outgoing payments in EUR:** Up to EUR 12,500 – EUR 8, from EUR 12,500.01 to EUR 20,000 – EUR 13, from EUR 20,000.01 to EUR 30,000 – EUR 23, from EUR 30,000.01 to EUR 40,000 – EUR 33, from EUR 40,000.01 to EUR 50,000 – EUR 43, above EUR 50,000.01 – EUR 50. Exceptions: a) Outgoing payments up to EUR 12,500 to France, Italy, Germany, Spain and Finland, China and Switzerland with a SWIFT code of beneficiary's bank and an IBAN of the beneficiary (only for China - the account number) the additional charge for all countries is EUR 5. b) For outgoing payments to Austria up to EUR 50,000 with a SWIFT code of beneficiary's bank and an IBAN of the beneficiary, the additional charge is EUR 3.50. For all payments with same day value there is an additional charge of EUR 10. **B. Outgoing payments in USD:** up to USD 20,000 – USD 13, above USD 20,000.01 – USD 20. Because of the specific bank practice in USA, it is possible the beneficiary bank to levy additional charges and the beneficiary will receive lesser amount than originally instructed, nevertheless the payment is instructed with option "OUR". 6/ When executing an outgoing payment in foreign currency through TARGET2 or sending MT103 directly the beneficiary's bank, in addition to commissions stated in p. 2 from the present section, the additional charges requested by the final banks are collected also. 7/ The charge stated in p.3 from the present section is not collected when the transactions are between accounts of one and the same account holder.
