5. Clean account in BGN, EUR or USD

Clean account is a current account with an active debit card, which has a monthly credit turnover of at least the equivalent of BGN 500. A grace period of 50 calendar days from the date of opening of the account is allowed for its funding. In case of non-fulfillment of the credit turnover requirement for a calendar month, a monthly maintenance fee shall apply. Upon recovery of the required credit turnover in the following month, such fee is not collected. In case of non-fulfillment of the credit turnover requirement in three consecutive months, the advantages of Clean Account are suspended and the account, as well as the debit card to it, begin to be charged from the next month with the standard fees according to the List of terms and conditions.
